

*Before completing the online application, please have the following available for upload:*

- Current Curriculum Vitae
- Evidence of Graduation from a School of Dentistry
- Certificate or graduate degree in dental public health or a degree in public health and residency certificate in dental public health (photo copy or official transcripts)
- Two letters of recommendation from current ABDPH Diplomates. These letter can be submitted to the Executive Director via email, but you will need to include the names of those writing on your behalf within your application.
- Additional documentation as requested. The Board may request transcripts or course syllabi to support transcripts. For example, for degrees other than a MPH, a transcript may be required to document that all requirements have been met. For courses with vague names, a syllabus may be required to document that requirements have been met.
